2. [REDACTED] Talked further with Mr. Dean Sharpe, of the Anti-Trust and Monopoly Legislation Subcommittee staff, regarding his interest in information on foreign insurance companies involved in intelligence activities. Sharpe mentioned several times Senator Dodd's interest in getting information on intelligence activities of companies like [REDACTED]. I advised Sharpe that I did not believe we could get into specifics with respect to these companies without getting into classified material. I told him we would check into this and be in touch with him.
